Project Title	QURBAN 2026 MEAT DISTRIBUTION IN BURKINA FASO
Project Acronym	MD
Submitted by:	Organisation pour le Secours Humanitaire OSEH
Project location	<p>The results of Burkina Faso's 5th RGPH, conducted in 2019, give a total population of 20,505,155. This is the legal or resident population, comprising residents present (RP) and residents absent (RA) of ordinary households, collective households, and embassies. The resident population is composed of 10,604,308 women, or 51.7%, and 9,900,847 men, or 48.3%.</p> <p>Burkina Faso's population is steadily increasing relative to the population size. From 5,638,203 inhabitants in 1975, it rose to 7,964,705 in 1985 and then to 10,312,609 inhabitants in 1996. Then, the Burkinabe population rose to 14,017,262 inhabitants in 2006 and then to 20,505,155 inhabitants in 2019. Thus, the country's population almost doubled between 1975 and 1996, and between 1996 and 2019. In other words, the population of Burkina Faso quadrupled from 1975 to 2019.</p> <p><b>Demographic Structure:</b></p> <p>Population density varies greatly between regions. The Centre region stands out with a density of 1,014 inhabitants per km<sup>2</sup>. The Plateau Central (114 inhabitants/km<sup>2</sup>), Centre-East (109 inhabitants/km<sup>2</sup>) and North (104 inhabitants/km<sup>2</sup>) regions also each have a density of more than 100 inhabitants per km<sup>2</sup>. The five least densely populated regions are, in ascending order, the</p>

	<p>Sahel (31 inhabitants/km<sup>2</sup>), the East (41 inhabitants/km<sup>2</sup>), the Cascades (44 inhabitants/km<sup>2</sup>), the Southwest (53 inhabitants/km<sup>2</sup>) and the Boucle du Mouhoun (55 inhabitants/km<sup>2</sup>).</p> <p><b>If there is any) Refugee and Migrant Population:</b></p> <p>The central-western region hosts 20,973 internally displaced persons, according to official figures from 2021, from the permanent secretariat of the national emergency relief and rehabilitation council.</p> <p><b>National Revenue:</b></p> <p>Burkina Faso is a landlocked country in the Sahel, with a low income and limited natural resources. With a 2020 GDP of USD 16.1 billion, for an estimated population of 20.9 million inhabitants growing at a rate of 2.9% per year (7% in the capital Ouagadougou), Burkina Faso falls into the category of least developed countries (LDCs) with a GDP per capita of around USD 768.8 (compared to USD 1,566.3 in sub-Saharan Africa).</p> <p><b>Ratio of Population Living Below the Poverty Line:</b></p> <p>Burkina Faso is a low-income Sahelian country with limited natural resources. Its economy is based on agriculture and mining, particularly gold. More than 40% of its population lives below the national poverty line.</p> <p><b>Literacy Rate:</b></p> <p>The literacy rate of the population aged 15 or over is 61.2% in the commune of Ouagadougou. This rate is higher among men (66.5%) than among women (56.1%). Only 6.2% of this population is literate in one of the national languages compared to 60.7% for foreign languages. Overall, the education rate is 70.2%.</p>

### 3 Project Description

Project Summary	<p>This project is a social and humanitarian initiative aimed at supporting vulnerable households during the three days of the Eid al-Adha festival. It involves purchasing 50 cows in bulk, slaughtering them butchering them, and distributing the meat to the households heads struggling financially to provide for their families. Each household head will receive approximately 4-5 kg of meat, resulting in 120 beneficiaries per cow, and 6,000 beneficiaries per 50 cows if we consider “6” as average number of a Burkinabe family.</p>
-----------------	--

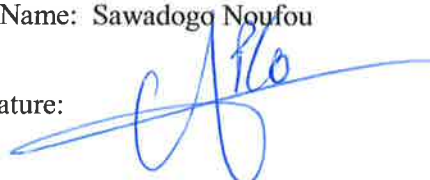

Statement of Need and Project Rationale	<p>Eid al-Adha is a major event in the Muslim faith, commemorating Abraham’s act of sacrificing his only son, Ismail, to fulfill his vow. However, a portion of the Muslim community worldwide lacks the financial means to do so.</p> <p>The project was designed to provide assistance to these vulnerable individuals in Burkina Faso, with nearly 1,000 households expected to benefit.</p>
Project Framework	<p>The main objective is to bring smiles and joy to the vulnerable households in order to the spirit of the celebration, sharing, solidarity and love of neighbor is strengthened and maintained in the habits of societies towards one to another.</p> <p>OSEH will inform the MUSAID Association of any changes that will occur during the implementation of this project, and the two parties will agree on the next steps.</p> <p>Target Audience:</p> <ul style="list-style-type: none"> <li>• Muslim community of Burkina Faso.</li> <li>• Anyone in a vulnerable situation.</li> <li>• Internally Displaced persons (IDPs)</li> </ul>
Project Implementation Plan	<p>The implementation of this project involves three main phases:</p> <p>The preparation phase: this phase will focus on addressing key points with the financial partner regarding quantity, quality, and implementation methods, including the project’s target beneficiaries and the general and specific objectives to be achieved.</p> <p>The execution phase: this phase involves establishing specifications and contracts with suppliers, organizing the delivery and distribution and facilitating the financial partners’ ability to assist, supervise, and even participate in the projects’ implementation through delegations.</p> <p>The project closure phase: this phase involves compiling the necessary documentation to finalize the project: feedback, invoices, beneficiary lists, and archived images and video.</p> <p>The OSEH organization has been organizing cow slaughter campaigns for over a decade with technical and financial partners, totaling more than 13,700 head of cows during this time.</p> <p>OSEH has a number of volunteers, a nationwide network of suppliers, and experience in mobilization and organization that can guarantee the success of this project is funding objectives.</p>
Expected impact	<ul style="list-style-type: none"> <li>▪ 1000 direct families and 6000 indirect souls with meat aid.</li> </ul>

Monitoring and Evaluation	After the approval of the project by Musaid Association, We held a team responsible for the project supervision from the beginning to the end. All the project process is supervised that mean from the animals purchase, the keeping, slaughtering, skin removing, cutting into pieces, packing, filling into plastic bags for distribution.. Photos and videos in addition to the final report, the invoices and the beneficiaries' lists to end to our partner at the end of the project implementation cover the whole process.
Sustainability	This project is a short-term project and does not require sustainability.
Audit	The implementation of this project, like several other projects, is applied in accordance with the current texts of the OSEH organization's procedure manual approved by its board of directors.
